

Please join CEPOP for a briefing on:

***Preventing Diversion of Opioid Medications:
Safe Storage and Disposal Strategies***

**Thursday, July 13, 2017
3:00 – 4:00 PM**

**HC 8 – Meeting Room
U.S. Capitol Building**

The opioid abuse epidemic continues to expand and claim more lives due to misuse, abuse and overdose. In 2017, CEPOP and its over 75 participants are focusing on prevention strategies. One area of prevention emphasis is reducing diversion of opioid medications. Join national experts for a discussion of initiatives to safeguard these medications in the home and other settings.

www.CEPOPonline.org

Since early 2014, CEPOP has engaged diverse stakeholders behind comprehensive and balanced public policy strategy to reduce prescription opioid abuse and promote treatment options, both for those living with pain and confronting addiction.
